For children and adults!

Sign up for the new summer music theater program, "A Little Bit of Broadway," taught by Menomonie voice teacher, Juliana Schmidt. Students not only apply good vocal technique (including proper instruction in belting if necessary), but also dig deeply into characters, work on movement, and then perform in costume, on August 5 on the Mabel Tainter stage! You can also learn about the inner workings of the theater, and design your own lighting! Lessons start week of June 12. Should be a minimum age of 6 years old by June 1, 2017. Reduced fee for vocal instruction only. Space is limited to 15.
